**INTERLOCAL AGREEMENT  
BETWEEN  
THE CITY OF MCKINNEY  
AND  
TEXOMA AREA PARATRANSIT SYSTEM, INC.  
FOR THE  
MCKINNEY JOB ACCESS / REVERSE COMMUTE PROJECT**

**WHEREAS**, in September 2009, the City of McKinney, Texas ( "CITY") received approval by the Regional Transportation Council ("RTC"), the regional transportation policy board of the North Central Texas Council of Governments ("NCTCOG"), to receive federal grant funding under the Job Access/Reverse Commute Program, found at 49 U.S.C. § 5316 ("JA/RC"), for the implementation of a three-year pilot project to provide round-trip commuter shuttle bus service between the City of McKinney, Texas and other locations within Collin County, Texas; and

**WHEREAS**, Texoma Area Paratransit System, Inc. ( "TAPS") is a Texas political subdivision that provides public transportation services within the State of Texas; and

**WHEREAS**, CITY and TAPS (CITY and TAPS are sometimes individually referred to as "Party" and collectively referred to as "Parties") are local governmental entities pursuant to the Interlocal Cooperative Act, Chapter 791 of the Texas Government Code, and, as such, may contract with one another for the enactment of governmental functions and provision of services of mutual interest; and

**WHEREAS**, CITY and TAPS desire to enter into an agreement concerning the provision of transit services in support of the three-year pilot project to provide round-trip commuter shuttle bus service between the City of McKinney, Texas and other locations within Collin County, Texas.

**NOW, THEREFORE**, this agreement ("Agreement") is hereby made and entered into by and between CITY and TAPS for the mutual consideration stated herein.

**WITNESSETH:**

**Article I**

Term: This Agreement shall be for a period of 36 months beginning on July 1, 2013 and terminating on June 30, 2016, unless terminated earlier by either CITY or TAPS in accordance with the terms of this Agreement.

**Article II.**

Services: TAPS shall provide transit services for the administration and operation of round-trip commuter shuttle bus service from the CITY to and from the Dallas Area Rapid Transit ("DART") Parker Road Rail Station in the City of Plano, Collin County, Texas,

("PROJECT") as set forth in the terms of this Agreement. TAPS shall provide transit services for the PROJECT on every weekday (Monday through Friday) for the period described in Article I of this Agreement, excluding those weekdays on which New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday after Thanksgiving Day, and Christmas Day fall.

TAPS shall provide administrative services associated with the PROJECT, as set forth in the terms of this Agreement, including, but not necessarily limited to, employment and management of necessary personnel, sale and distribution of bus passes, collection and accounting of fares, and management of dispatch and call center operations.

TAPS shall provide a minimum of two buses, each with a minimum capacity of 24 seated riders. Each bus shall make four daily round-trips and include a minimum of two stop locations in CITY. Two of the daily round-trips shall begin and end between the morning hours of 5:00 a.m. and 9:00 a.m., and two of the daily round-trips shall begin and end between the afternoon-evening hours of 3:00 p.m. and 7:00 p.m.

CITY and TAPS may revise or expand the services described in this section by written agreement of both Parties.

### **Article III.**

Payment for Services: CITY agrees to pay TAPS for the PROJECT services described herein a sum not to exceed Five Hundred Thousand and No/100 Dollars (\$500,000.00). Total payment for services shall be for reasonable and customary expenses including, but not necessarily limited to the administrative and operational services described herein.

No later than ten days after the end of each month of the term of this Agreement, TAPS will submit to CITY an invoice for an amount not to exceed \$13,888.89 (1/36 of the total amount of the Agreement). Each invoice shall identify the period for which the payment is being requested and the services, performed during that period. TAPS shall provide with each invoice a status report in accordance with Article VII. At the request of CITY, TAPS shall provide CITY with all supporting receipts and other documentation in connection with one or more specific invoices or status reports, or any other aspect of the PROJECT.

CITY shall pay TAPS within 30 days of receipt of each monthly invoice, unless supporting receipts and other documentation have been requested by CITY, in which case CITY shall pay the invoice as soon after receiving the supporting receipts and documentation as is reasonable; or unless a dispute arises as to any charge(s) contained in the invoice, in which case CITY shall pay the undisputed amount of the invoice within 30 days of receipt and shall pay the remaining amount, if any, of the invoice after resolution of the dispute as soon after resolution as is reasonable.

Nothing contained in this Agreement shall require CITY to pay for any activities or expenditures that are not authorized, performed, or submitted in compliance with the terms of this Agreement, nor shall failure to withhold payment based on this provision constitute a waiver of any right that

CITY may have if TAPS is in default of the Agreement, including CITY's right to bring legal action for damages or for specific performance of this Agreement, and TAPS expressly retains any and all defenses it may have thereto. Waiver of any default under this Agreement shall not be deemed a waiver of any subsequent default.

#### **Article IV.**

Bus Amenities: Each bus providing services for the PROJECT shall include free Wi-Fi internet access and a media system consisting of an onboard DVD player connected to a flat panel television(s). CITY and TAPS shall share use of the media system during the hours of operation for each bus. "Shared use," as it is referred to in this Agreement, means an equal split of time between airing public announcements, commercial advertisements, and entertainment programming provided by or on behalf of CITY, and the airing of public announcements, commercial advertisements, and entertainment programming provided by or on behalf of TAPS, during the hours of operation. CITY is responsible for providing its desired content for airing on the media system to TAPS in a timely manner in order to incorporate and air said content.

#### **Article V.**

Station and Terminal Amenities: To the extent feasible, TAPS shall provide and install, at its sole cost, one or more digital, real-time trip countdown signs in the waiting area of each stop location in CITY in a manner to be agreed on by CITY and TAPS

#### **Article VI.**

Branding: TAPS shall provide and install a vinyl graphic wrap on select exterior surfaces of each of the buses used to provide the services for the PROJECT. CITY and TAPS shall share equally in co-branding opportunities presented by the vinyl graphic wrap.

TAPS shall also prepare co-branding and public outreach materials in support of the PROJECT. CITY and TAPS shall share equally in the use of the co-branding marketing campaign materials described herein including, but not necessarily limited to, use of flyers, posters, advertisements, and web marketing.

#### **Article VII.**

Fares: TAPS shall administer the sale and distribution of bus passes and the collection of fares for the PROJECT. PROJECT fares shall be determined by CITY at its sole discretion and all PROJECT revenue shall be the right and ownership of CITY.

No later than twelve days after the end of each month, TAPS shall make available to CITY the PROJECT revenue collected from the previous month, including the number of PROJECT bus passes sold and fares collected.

### **Article VIII.**

Performance: No later than 12 days after the end of each month, TAPS shall provide a status report to CITY detailing PROJECT activities which occurred in the previous month. Each report shall identify for each service route the estimated or actual number of rides provided (measured by one-way trips), revenue vehicle hours, route lengths, and delays or problems in service and the applied resolution(s). TAPS shall also include any PROJECT milestones and applicable performance measures related to the actual or estimated number of jobs being accessed.

No later than 45 days after any termination of this Agreement, TAPS shall provide to CITY a closeout report documenting the final actual cost of providing transit services for the PROJECT, including final data for PROJECT activities and the performance measures more fully described in the first paragraph of this article.

### **Article IX.**

City and TAPS acknowledge that the PROJECT will be funded by federal grant money under 49 U.S.C. § 5316 – Job Access/Reverse Commute Program.

### **Article X.**

Maintenance: TAPS shall maintain all vehicles providing services for the PROJECT in compliance with all applicable state and federal laws. TAPS shall promptly and properly perform all repairs necessary to keep such vehicles in good, safe, and legal operational condition and shall maintain records of all maintenance, repairs, and inspections performed on each vehicle.

### **Article XI.**

Licensure: All vehicles providing services for the PROJECT shall be operated by an operator duly licensed by the State of Texas and in current possession of said license to operate vehicles of the type and size described in this Agreement.

TAPS shall ensure that all persons driving vehicles designed to transport 16 or more passengers (including the driver) have valid commercial driver's licenses, and shall further ensure compliance with rules for employees with commercial driver's licenses as specified in 49 CFR Part 382.

### **Article XII.**

Insurance:

- A. TAPS shall, at its own expense, purchase, maintain, and keep in force during the term of this Agreement such insurance or participation in a self-insurance risk pool for governmental entities as set forth below. TAPS shall not commence work under this Agreement until TAPS has obtained all the insurance or risk-pool coverage required

under this Agreement and such insurance or risk-pool coverage has been approved by CITY, nor shall TAPS allow any subcontractor to commence work on its own subcontract until all similar insurance of the subcontractor has been obtained and approved. All insurance policies or risk-pool coverage agreements provided under this Agreement shall be written on an "occurrence" basis. The insurance requirements shall remain in effect throughout the term of this Agreement.

1. Workers' Compensation Insurance with statutory limits, with the policy endorsed to provide a waiver of subrogation in favor of CITY; and Employer's Liability coverage of not less than \$100,000 for each accident, \$100,000 per employee for disease, and \$500,000 aggregate limit for disease, subject to TMLIRP availability.
  2. Commercial General Liability insurance, including, but not limited to Premises/Operations, Personal & Advertising Injury, Products/Completed Operations, Independent Contractors and Contractual Liability, insuring TAPS's liability for injury to or death of employees of CITY and third parties, extended to include liability for personal injury to and damage to property of third parties, with minimum combined single limits of \$1,000,000 per occurrence, \$1,000,000 Products/Completed Operations aggregate, and \$1,000,000 general aggregate, subject to TMLIRP availability.
  3. Business Vehicle Liability Insurance covering owned, hired, and non-owned vehicles, with a minimum combined bodily injury and property damage limit of \$1,000,000 per occurrence, either directly or through an umbrella policy, subject to TMLIRP availability.
  4. Umbrella or Excess Liability insurance with minimum limits of \$1,000,000 each occurrence and annual aggregate for bodily injury and property damage, that follows form and applies in excess of the above indicated primary coverage (1, 2, and 3). The total limits required may be satisfied by any combination of primary, excess, or umbrella liability insurance provided all policies comply with all requirements, subject to TMLIRP availability.
- B. Each insurance policy or risk-pool coverage agreement to be furnished by TAPS shall include the following conditions by endorsement to the policy, subject to TMLIRP availability.
1. CITY and NCTCOG shall be named as additional insureds on all applicable coverage;
  2. A waiver of subrogation in favor of CITY, its officials, employees, and officers shall be contained in the Workers' Compensation insurance policy.
  3. The CITY, its officials, employees, and officers shall be named as additional insureds on the Commercial General Liability policy, by using endorsement CG2026 or broader.

4. For each policy, at least 30 days prior to the expiration, cancellation, non-renewal, or any other material change in coverage, a notice thereof shall be given to CITY by certified mail to:

(a) Tami Levens or her successor  
Risk Manager  
City of McKinney  
222 North Tennessee Street  
McKinney, Texas 75070; and,

(b) Robert Daake or his successor  
Executive Director, Development Services Division  
City of McKinney  
221 North Tennessee Street  
McKinney, Texas 75069

However, if the policy is canceled for nonpayment of premium, only ten days advance written notice to CITY is required;

TAPS shall also notify CITY within 24 hours after receipt of any notices of expiration, cancellation, non-renewal, or any other material change in coverage it receives from its insurer(s).

C. TAPS agrees to the following:

1. TAPS hereby waives subrogation rights for loss or damage to the extent same are covered by insurance or risk-pool coverage. Insurers shall have no right of recovery or subrogation against CITY, it being the intention that the insurance policies or risk-pool coverage agreements shall protect all parties to this Agreement and be primary coverage for all losses covered by the policies or risk-pool agreements.
2. Companies issuing policies, risk pools administering coverage, and TAPS shall have no recourse against CITY for assessments for any deductible. Premiums and deductibles are the sole responsibility and risk of TAPS.
3. No special payments shall be made for any insurance or risk-pool coverage that TAPS and subcontractors are required to carry; all are included in the contract price and the contract unit prices.

Any of the insurance policies or risk-pool coverage agreements required under this section may be written in combination with any of the others, where legally permitted, but none of the specified limits may be lowered thereby.

### **Article XIII.**

Non-appropriation: TAPS specifically recognizes that the continuation of this Agreement after the close of any given fiscal year of CITY, which fiscal year ends on September 30th of each year, shall be subject to approval by the McKinney City Council. TAPS recognizes that this Agreement cannot be an unfunded liability on CITY in violation of the Texas Constitution's unfunded debt prohibition applicable to home-rule cities. TAPS expressly agrees that this Agreement may be terminated by CITY, without any penalty or liability to CITY except for monies owed for work done, in the event the City Council fails to approve or appropriate funds for any continuation period of this Agreement.

### **Article XIV.**

Right to Inspect Records: TAPS and the CITY shall have mutual access to and the right to examine all books, documents, papers, and other records of the other party involving transactions relating to this Agreement. TAPS and the CITY shall have access during normal working hours to all necessary facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this article. TAPS and the CITY shall give TAPS at least 48-business-hours' advance notice of intended audits.

### **Article XV.**

Breach/Opportunity to Cure: In the event either Party is in breach of its obligations herein, the Party not in breach shall provide the other Party at least 30-days' written notice and opportunity to cure said breach before exercising any rights it has under this Agreement based on the breach.

CITY specifically recognizes that TAPS must receive approval from DART to access DART-owned or operated properties and facilities in order for TAPS to effectuate performance under this Agreement. CITY recognizes that DART may restrict, alter the terms of, or discontinue TAPS' access to these properties and facilities during the term of this Agreement such that TAPS' ability to perform the terms of this Agreement may become materially or wholly impaired. CITY expressly agrees that this Agreement may be terminated by TAPS, without any penalty or liability, other than completion of any services for which payment has been made by the City or refund of any such payment, in the event that TAPS' ability to perform the terms of this Agreement becomes materially or wholly impaired as stated in this Article.

### **Article XVI.**

Termination: Either Party may terminate this Agreement at any time by providing 60-days' written notice to the other Party. Each Party expressly reserves its rights to seek payment for any authorized work performed pursuant to this Agreement prior to the date of the provided notice of said termination.

In the event CITY terminates this Agreement, CITY shall not in any manner be liable for lost profits that might have been made by TAPS had TAPS completed the services required by this Agreement. The foregoing is cumulative and does not affect any right or remedy that CITY may have.

In the event TAPS terminates this Agreement, TAPS shall not in any manner be liable for special or consequential damages, including lost profits and/or revenues that might have been made by City had the services required by this Agreement been completed. The foregoing is cumulative and does not affect any right or remedy that TAPS may have.

#### **Article XVII.**

Amendment: The Parties may amend or modify this Agreement only by written amendment signed by both Parties.

#### **Article XVIII.**

Notice: Unless otherwise instructed in writing, each Party shall send via certified mail, return receipt requested, all notices and required communications under this Agreement to the address of each Party's agent as follows:

City of McKinney, Texas  
Attention: Grants Administrator  
221 North Tennessee Street  
McKinney, Texas 75069

Texoma Area Paratransit System, Inc.  
Attention: Executive Director  
6104 Texoma Parkway  
Sherman, Texas 75090

Any notices and communications required to be given in writing by one Party to the other shall be considered as having been given to the receiving Party on the date the notice or communication is posted, faxed, or personally delivered by the sending Party.

#### **Article XIX.**

INDEMNIFICATION: TO THE EXTENT ALLOWED BY LAW, THE CITY AND TAPS AGREE TO RELEASE, DEFEND, INDEMNIFY, AND HOLD HARMLESS THE OTHER (AND ITS OFFICERS, AGENTS, AND EMPLOYEES) FROM AND AGAINST ALL CLAIMS OR CAUSES OF ACTION FOR INJURIES (INCLUDING DEATH), PROPERTY DAMAGES (INCLUDING LOSS OF USE), AND ANY OTHER LOSSES, DEMANDS, SUITS, JUDGMENTS AND COSTS, INCLUDING REASONABLE ATTORNEYS' FEES AND EXPENSES, IN ANY WAY ARISING OUT OF, RELATED TO, OR RESULTING FROM EACH PARTY'S OWN PERFORMANCE UNDER THIS AGREEMENT, OR CAUSED BY ANY OF THE PARTY'S OWN NEGLIGENT ACTS OR OMISSIONS, OR BY

THE NEGLIGENT ACTS OR OMISSIONS OF THE PARTY'S RESPECTIVE OFFICERS, AGENTS, EMPLOYEES, OR OTHER PERSONS FOR WHOM IT IS LEGALLY LIABLE, IN CONNECTION WITH PERFORMING THIS AGREEMENT.

**Article XX.**

Venue: The laws of the State of Texas shall govern the interpretation, validity, performance, and enforcement of this Agreement. This Agreement is performable in Grayson County, Texas, and Collin County, Texas, and that any legal action based on this Agreement shall be brought in either Grayson County, Texas or Collin County, Texas.

**Article XXI.**

Severability: The provisions in this agreement are severable. If any paragraph, section, subdivision, sentence, clause, or phrase of this Agreement is for any reason held by a court of competent jurisdiction to be contrary to law or contrary to any rule or regulation having the force and effect of the law, the remaining portions of the Agreement shall be enforced as if the invalid provision had never been included.

**Article XXII.**

Remedies: No right or remedy granted herein or reserved to the Parties is exclusive of any other right or remedy herein by law or equity provided or permitted; but each shall be cumulative of every other right or remedy given hereunder. No covenant or condition of this Agreement may be waived without written consent of the Parties. Forbearance or indulgence by either Party shall not constitute a waiver of any covenant or condition to be performed pursuant to this Agreement.

**Article XXIII.**

Entire Agreement: This Agreement embodies the complete agreement of the Parties, superseding all oral or written previous and contemporaneous agreements between the Parties relating to matters herein.

**Article XXIV.**

Non-Waiver: One or more instances of forbearance by CITY or TAPS in the exercise of its rights herein shall in no way constitute a waiver thereof.

**Article XXV.**

Immunity: In the execution of this Agreement, neither Party waives, nor shall be deemed hereby to have waived, any immunity or defense that would otherwise be available to it against claims arising in the exercise of the Parties' respective governmental powers and functions. By entering into this Agreement, the Parties do not create any obligations, express or implied, other than those set forth herein, and this Agreement shall not create any rights in parties not signatories hereto.

**Article XXVI.**

Authority: Each of the parties represents and warrants to the other that they have the full power and authority to enter into and fulfill the obligations of this Agreement.

**Article XXVII.**

Assignment: This Agreement is not assignable except with the advanced written consent of the non-assigning party.

**Article XXVIII.**

No Third Party Beneficiary: For purposes of this Agreement, including its intended operation and effect: (1) the Agreement only affects matters or disputes between the Parties, and is in no way intended by the Parties to benefit or otherwise affect any third person or entity, notwithstanding that such third person or entity may be in contractual relationship with CITY or TAPS or both; and (2) the terms of this Agreement are not intended to release, either by contract or operation of law, any third person or entity from obligations owed by them to either CITY or TAPS.
